Record of Veterinary Examination

For the safety of your bird(s), other avian guests and our staff, your bird(s) is required to have an exam and bloodwork within 12 months of each stay at CREATURE COMFORTS PET HOTEL by a veterinarian who regularly sees avian species. Your bird(s) must have also have a negative Chlamydomphila test in their medical history. Depending on lifestyle, another may be required.

Grooming (nail and wing trims, beak shaping) does not count as an exam.

Please have your avian veterinarian fill in the following information. Their office can email the completed form to us or you can bring this form with you. (*Required information)
